Dear Robert,

On behalf of DC37 Safety and Health Department I would like to thank you for your participation in our *ABC's of Workers Comp Conference* held last week. The program was well received by all. Based on the evaluations, we achieved our goal of informing workers about the system and their rights. The majority of participants rated the event excellent and reported increase understanding.

We could not have done this without the efforts of you and your firm.

Sincerely,

Guille Mejia
