Dear Robert:

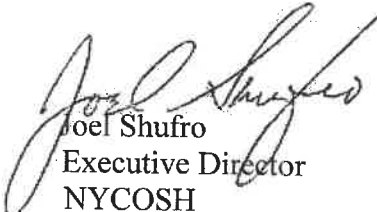

On behalf of the New York City Central Labor Council and NYCOSH, we would like to thank you for co-facilitating the recent workshop, "Workers' Compensation", which was held on June 5th at the Council.

You received many positive comments on your presentation, and your expertise on workers' compensation made it a very worthwhile and informative training. Your continued support of these activities will help us to increase labor's involvement in these important issues for all working people in New York City.

Thank you again, and we look forward to working with you to educate more members on health and safety issues in the months to come.

In solidarity,

  
Edward F. Ott  
Executive Director  
New York City Central Labor Council

  
Joel Shufro  
Executive Director
