Re: NYSBA Seminar -- Insurance Issues in Personal
Injury Litigation for the Experienced Litigator

Dear Robert:

I just wanted to thank you again for the excellent job you did at the NYSBA seminars in May and June. I truly appreciate your having spoken at both programs, and the skillful way you did so each time. You really managed to give life to a potentially dull subject.

Thanks again.

Very truly yours,

Jonathan A. Dachs

P.S. Your ratings were excellent.
