Dear Mr. Grey:

I am sorry I missed you last night. I had wanted to thank you in person, but when I finally emerged from a series of meetings, the seminar was over. I was advised, however, that your lecture on Workers' Compensation Law was truly excellent!

The coordinators from the Legal Secretaries Association and Long Island Paralegal Association, who served as registrars, indicated that your presentation was very well received and that it was clear and filled with helpful information. The written materials, too, with samples of relevant forms were much appreciated.

May I thank you, on behalf of the Academy of Law, for performing this important service and for sharing your time and evident expertise. We hope you will honor us with many repeat performances!

Very truly yours,

Dorothy Paine Ceparano
