

TWU LOCAL 100 WIDOWS AND ORPHANS *2008 Gala*

Dear Friend :

Thank you for your attendance or support at our **2008 Widows & Orphans Benefit Gala** on Thursday, December 4, 2008. Not only was your presence much appreciated, but your financial contribution will continue to support the families of our fallen union brothers and sisters.

The funds collected provide much-needed financial resources to the families, typically in the form of educational and medical assistance, such as paying for a child's tuition or providing family members with healthcare benefits.

Again, we thank you for your willingness to help in these difficult times.

Sincerely,

Roger Toussaint
President
Transport Workers Union Local 100
