Dear Mr. Grey:

On behalf of the Transport Workers Union Local 100's 38,000 members and their families, I thank you for your generous contribution to our Widows & Orphans Fund.

Your monetary donations will help us make it possible to provide continued medical coverage and educational support to the surviving dependents of Local 100 members who have passed in the line of duty.

Once again, TWU Local 100 extends its deepest appreciation for your financial contribution.

Sincerely,

Roger Toussaint
