Dear Rob:

We would like to express our appreciation for the assistance your firm provided to our program participants in registering the WTC-12 form with the NYS Workers' Compensation Board. Because of your efforts, thousands of responders will have the right to file Workers' Compensation claims for any WTC-related illness that they may develop in the future.

Thank you for your support and participation in the WTC-12 Legal Clinics. We look forward to working with you in the future.

Sincerely,
