Dear Robert Grey, Esq.,

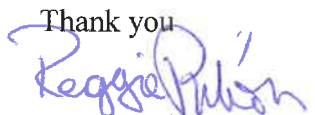

I want to thank you for assisting the first responders and volunteers who attended the World Trade Center Medical Monitoring Program Conference, *9/11: Living with the Aftermath* on Saturday, November 11, 2006 in the filing and registering for claims under the new 9/11 First Responders Workers' Compensation Bill.

Your participation in this conference helped to ensure that these brave men and women who worked so hard to repair New York City following 9/11 receive the necessary help they deserve.

Thank you again for your assistance, and we look forward to working with you in the future.

Sincerely,

Thank you

Reggie Pabón
Outreach Coordinator
